

Site Visit Volunteer Form

I want to help create better senior centers and make sure that the certification process is fair, open, and true to its purpose. I will be willing to serve as a site visitor. I understand that:

- I will not be paid or reimbursed for my expenses. (The center may provide lunch and/or snacks, but they are not required to do so.) It will be up to me to seek support from my agency such as counting this visit as work time, or providing transportation.
- Leslee Breen and the Division will make every effort to match me with a site within an hour and a half driving distance of my office and to distribute assignments so that no one person is called on to serve more than a few times a year.
- Volunteering does not obligate me to consent to any specific site visit for which I am asked to serve. If a visit conflicts with my schedule, is too far for me to travel, or is otherwise not feasible for me, I can say no and perhaps be asked to serve on a different site visit at a different time.
